

MANAGEMENT POLICY

BOLSEIRA's mission is to manufacture kraft paper bags for packaging at the point of sale and reel paper, guided by the values of trust, commitment, respect, integrity and leadership, leading to Customer Satisfaction and based on the fundamental pillars of Sustainable Development - Economic, Social, Environmental, OSH and Legal, described below:

- To promote the continuous improvement of the implemented management system, so that the processes achieve their objectives with maximum effectiveness and efficiency, in order to improve their environmental performance, safety and product quality;
- Ensure compliance with laws, regulations and requirements applicable to the activity as well as others to which it voluntarily subscribes;
- Getting more satisfied customers by innovating and anticipating trends in order to satisfy their demands and expectations;
- Motivate and train Employees in an appropriate way, so that they carry out their activities with high standards of performance and quality;
- Keep Employees informed and aware of the importance of meeting customer requirements;
- Promote the consultation and participation of employees in order to improve general working conditions;
- Identify, evaluate and control the risks associated with the company's activities in order to prevent and minimize work accidents and professional diseases;
- Implement and maintain good practices and measures aimed at improving food safety conditions and compliance with HACCP guidelines;
- Protect the environment in order to minimize the environmental aspects and impacts resulting from its activity, assuming an important role in prevention and environmental sustainability;
- In collaboration with its Partners, ensure Forest Management, ensuring the Chain of Custody in the use of natural resources from controlled sources, ensuring the traceability of the paper from environmentally appropriate, socially beneficial and economically viable forest management, meeting the requirements of the chain of custody standard, PEFC™ ST 2002;
- Continuous communication with Stakeholders, systematically satisfying all stakeholders, including customers, suppliers and employees;
